Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, the Middle Trinity Groundwater Conservation District (MTGCD) manages and conserves the groundwater resources of Erath and Comanche counties. Based on a recent Central Texas-Trinity Aquifer Priority Groundwater Management Area study and designation by the Texas Commission on Environmental Quality and the increased awareness of groundwater issues in Central Texas, several counties have approached MTGCD to discuss the annexation of the counties into MTGCD.

C.S.S.B. 1209 amends the MTGCD's enabling Act to add Sections 11A (Composition of Board and Election Directors Following Annexation of One or Two Counties) and 11B (Composition of Board and Election Directors Following Annexation of One or Two Counties). C.S.S.B. 1209 provides that any rules adopted by MTGCD apply to all persons and entities except as exempted in Section 36.117 (Exemptions; Exemption; Limitations), Water Code.
