Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The provisions of this bill were a part of S.B. 23, relating to the creation of an office within the Texas Department of Insurance to assist in educating the public about health insurance options (80th Legislature, Regular Session, 2007), that died on House calendar at the end of last session.

There are approximately 1.4 million children in Texas without health insurance. Of the children without health insurance, 89.5 percent live in a household where at least one parent works. Therefore, in order to obtain coverage for their children, an employee must first be enrolled in a health plan offered by an employer. The vast majority of uninsured children in Texas have at least one working parent, but currently a parent must insure himself or herself before he or she can cover his or her children through employer-sponsored insurance.

C.S.S.B. 76 authorizes child-only benefit plans and authorizes carriers to offer child-only benefit plans to small employers.

RULEMAKING AUTHORITY

Rulemaking authority is expressly granted to the commissioner of insurance in SECTION 4 (Section 1501.2525, Insurance Code) of this bill.

(d) Provides that a children's health benefit plan is included for collective participation purposes under this section if an employee chooses to enroll one or more dependents in a children's health benefit plan, rather than in a health benefit plan described by Section 1501.003(a).
