AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Acts of the 74th Legislature, Regular Session, 1995, authorized Angelo State University (ASU) to enter into a joint association with the City of San Angelo and the San Angelo Museum of Fine Arts (SAMFA) to construct a new facility for an educational center and museum. During the 80th Legislature, Regular Session, 2007, H.B. 3564 transferred ASU, and all property, including SAMFA, from the Texas State University System to the Texas Tech University System (TTU System). In recent months, the TTU System and SAMFA have agreed to alter their current agreement and to transfer the title from the TTU System to an appropriate nonprofit organization.

S.B. 811 authorizes the board of regents of the TTU System to transfer the title of SAMFA to an appropriate nonprofit organization for continued public and educational use. S.B. 811 provides for a public meeting with the board before transferring the title, as well as a process for reverting the title back to the TTU System under certain circumstances.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
