AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

State Highway Fund 006 (Fund 006) has at times been used for non-highway purposes such as a loan guarantee or as an insurance for bonds in connection with certain toll projects. The use of Fund 006 for these purposes will eventually affect its value and ultimately have an adverse effect on the state's highway transportation system.

As proposed, S.B. 883 prohibits the Texas Department of Transportation from pledging or otherwise encumbering money deposited in the state highway fund to guarantee a loan obtained by a public or private entity for costs associated with a toll facility of the public or private entity or insure bonds issued by a public or private entity for costs associated with a toll facility of the public or private entity.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
