Committee Report (Substituted)

### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

In 1986, the legislature passed the Texas Racing Act, allowing pari-mutuel wagering on horse and greyhound races and creating the Texas Racing Commission (TRC) to oversee the racing industry. TRC's authority spans from licensing racetracks and their employees, to overseeing live racing events, and monitoring and certifying wagering transactions.

Last fiscal year, TRC spent about \$4.3 million for its operations, paid from wagers, fees, and fines. The state also received about \$3.6 million in pari-mutuel taxes. TRC is subject to the Sunset Act and will be abolished on September 1, 2011, unless continued by the legislature. The Sunset Advisory Commission found that TRC needs stronger regulatory tools to help oversee today's declining racing industry.

Created by the 72nd Legislature in 1991, the 11-member Equine Research Account Advisory Committee (committee) recommends funding for equine research projects, initially using a portion of the wagers placed on Texas horse races. The director of Texas AgriLife Research makes the final grant awards. For the past three sessions, the legislature has not appropriated account funds and instead, Texas AgriLife funded grants recommended by the committee. The Sunset Advisory Commission found that the committee has not provided clear outcomes for its funding decisions and that a statutorily mandated committee is no longer needed.

C.S.H.B. 2271 requires TRC to designate racetrack licenses as either active or inactive and develop, in rule, renewal criteria for licenses designated as inactive; requires TRC to develop an annual process for inactive racetrack licenses; authorizes TRC to refuse to renew an inactive license; clarifies that racetrack licenses are not issued in perpetuity; requires TRC to complete a review of active racetrack licenses every five years; clarifies TRC's revocation authority; authorizes TRC to require racetrack licensees to post security at any time; eliminates uncashed winning tickets as a source of TRC revenue; authorizes TRC to adjust license fees to compensate for lost revenue as a result of this change in funding; subjects TRC to Sunset review in six years, giving it a Sunset date of September 1, 2017; abolishes the Equine Research Committee; and continues Texas AgriLife Research's authority to expend appropriated Equine Research Account funds.

C.S.H.B. 2271 requires TRC to make a determination on a license application within 120 days of the applicant fulfilling all the requirements for licensure and requires TRC to notify the applicant once an application is administratively complete. The bill requires TRC to provide guidance, in rule, as to what constitutes good faith efforts for determining whether a racetrack is active. The bill also removes the requirement that TRC revoke or suspend an inactive racetrack license that fails to conduct live racing within three years of the issuance of the license.

C.S.H.B. 2271 amends current law relating to the continuation and functions of the Texas Racing Commission, the abolishment of the Equine Research Account Advisory Committee, and the authority of Texas AgriLife Research, and provides an administrative penalty.

### **RULEMAKING AUTHORITY**

Rulemaking authority is expressly granted to the Texas Racing Commission (TRC) in SECTION 7 (Section 6.032, Texas Racing Act (Article 179e, V.T.C.S.)), SECTION 11 (Sections 6.0601,

6.0602, and 6.0603, Texas Racing Act (Article 179e, V.T.C.S.)), SECTION 15 (Section 7.01, Texas Racing Act (Article 179e, V.T.C.S.)), and SECTION 28 of this bill.

Rulemaking authority previously granted to TRC is modified in SECTION 17 (Section 11.01, Texas Racing Act (Article 179e, V.T.C.S.)) and SECTION 18 (Section 11.04, Texas Racing Act (Article 179e, V.T.C.S.)) of this bill.

### **SECTION BY SECTION ANALYSIS**

SECTION 1. Amends Section 1.03, Texas Racing Act (Article 179e, V.T.C.S.), by amending Subdivision (52) and adding Subdivisions (80) and (81), to redefine "performance" and to define "active license" and "inactive license."

SECTION 2. Amends Section 2.071, Texas Racing Act (Article 179e, V.T.C.S.), as follows:

Sec. 2.071. CONFLICT OF INTEREST. (a) Prohibits a person from being a member of the Texas Racing Commission (TRC) and from being a TRC employee employed in a "bona fide executive, administrative, or professional capacity," as that phrase is used for purposes of establishing an exemption to the overtime provisions of the federal Fair Labor Standards Act of 1938 (29 U.S.C. Section 201 et seq.), if:

- (1) the person is an officer, employee, or paid consultant of a Texas trade association in the field of horse or greyhound racing or breeding; or
- (2) the person's spouse is an officer, manager, or paid consultant of a Texas trade association in the field of horse or greyhound racing or breeding.

Deletes existing text prohibiting an officer, employee or paid consultant of a Texas trade association in the field of horse or greyhound racing or breeding from being a member of TRC or an employee of TRC who is exempt from the state's position classification plan or is compensated at or above the amount prescribed by the General Appropriations Act for step 1, salary group 17, of the position classification salary schedule.

Deletes existing text prohibiting a person who is the spouse of an officer, manager, or paid consultant of a Texas trade association in the field of horse or greyhound racing or breeding from becoming a member of TRC and from being an employee of TRC who is exempt from the state's position classification plan or is compensated at or above the amount prescribed by the General Appropriations Act for step 1, salary group 17, of the position classification salary schedule.

Deletes existing Subsection (b) designation. Makes nonsubstantive changes.

(b) Prohibits a person from being a member of TRC or acting as general counsel to TRC if the person is required to register as a lobbyist under Chapter 305 (Registration of Lobbyists), Government Code, because of the person's activities for compensation on behalf of a profession related to the operation of TRC.

(c) Redefines, in this section, "Texas trade association."

SECTION 3. Amends Article 2, Texas Racing Act (Article 179e, V.T.C.S.), by adding Section 2.25, as follows:

Sec. 2.25. NEGOTIATED RULEMAKING AND ALTERNATIVE DISPUTE RESOLUTION PROCEDURES. (a) Requires TRC to develop and implement a policy to encourage the use of:

- (1) negotiated rulemaking procedures under Chapter 2008 (Negotiated Rulemaking), Government Code, for the adoption of TRC rules; and

(2) appropriate alternative dispute resolution procedures under Chapter 2009 (Alternative Dispute Resolution for Use by Governmental Bodies), Government Code, to assist in the resolution of internal and external disputes under the TRC's jurisdiction.

(b) Requires that TRC's procedures relating to alternative dispute resolution conform, to the extent possible, to any model guidelines issued by the State Office of Administrative Hearings for the use of alternative dispute resolution by state agencies.

(c) Requires TRC to:

(1) coordinate the implementation of the policy adopted under Subsection (a) of this section;

(2) provide training as needed to implement the procedures for negotiated rulemaking or alternative dispute resolution; and

(3) collect data concerning the effectiveness of those procedures.

SECTION 4. Amends Sections 3.07(b) and (e), Texas Racing Act (Article 179e, V.T.C.S.), as follows:

(b) Provides that a decision of a steward or judge is subject to review by the executive secretary of TRC (executive director), who is authorized to modify the penalty. Authorizes a penalty modified by the executive director under this section to include a fine not to exceed \$10,000, a suspension not to exceed two years, or both a fine and a suspension. Provides that a decision of a steward or judge that is not reviewed or modified by the executive director is a final decision. Authorizes any decision of a steward or judge to be appealed under Section 3.08(a) (relating to an appeal from a decision of a steward or judge) of this Act regardless of whether the decision is modified by the executive director. Deletes existing text authorizing the stewards or judges, if, in the opinion of the stewards or judges, the allowable penalties are not sufficient, to refer the case to TRC for further action.

(e) Deletes existing text requiring the person licensed under this Act to conduct a horse race meeting or a greyhound race meeting with pari-mutuel wagering (association), if the amount held exceeds the amount needed to pay the charges, to pay the excess to TRC in accordance with Section 11.08 of this Act.

SECTION 5. Amends Section 3.09(b), Texas Racing Act (Article 179e, V.T.C.S.), as follows:

(b) Requires that any unappropriated money exceeding \$750,000 that remains in the TRC fund at the close of each fiscal biennium be transferred to the General Revenue Fund and authorizes the money to be appropriated for any legal purpose. Requires that any amount of general revenue appropriated for the administration and enforcement of this Act in excess of the cumulative amount deposited in the TRC fund be reimbursed from the TRC fund not later than one year after the date on which the general revenue funds are appropriated, with 6-3/4 percent interest with all payments first attributable to interest, rather than with 12 percent interest per year until August 31, 1993, and 6-3/4 percent interest thereafter with all payments first attributable to interest. Authorizes the Department of Public Safety of the State of Texas (DPS) to request any person owning any interest in an applicant for a racetrack license to submit a complete set of fingerprints.

(c) Requires a peace officer of this or any other state, or any district office of TRC, to take the fingerprints of an applicant for a license or license renewal on forms approved and furnished by DPS and to immediately deliver them to TRC.

SECTION 7. Amends Article 6, Texas Racing Act (Article 179e, V.T.C.S.), by adding Section 6.032, as follows:

Sec. 6.032. BOND. (a) Authorizes TRC at any time to require a holder of a racetrack license or an applicant for a racetrack license to post security in an amount reasonably necessary, as provided by TRC rule, to adequately ensure the license holder's or applicant's compliance with substantive requirements of this Act and TRC rules.

(b) Provides that cash, cashier's checks, surety bonds, irrevocable bank letters of credit, United States Treasury bonds that are readily convertible to cash, or irrevocable assignments of federally insured deposits in banks, savings and loan institutions, and credit unions are acceptable as security for purposes of this section. (1) revoke, suspend, or refuse to renew the racetrack license;

(2) impose an administrative penalty as provided under Section 15.03 of this Act; or

(3) take any other action as provided by TRC rule.

(c) Prohibits TRC from revoking an active license unless TRC reasonably determines that other disciplinary actions are inadequate to remedy the violation.

(h) Requires that two percent of the breakage be allocated to the equine research account under Subchapter F, Chapter 88, rather than Subchapter F, Chapter 51, Education Code. Requires that the remaining 98 percent of the breakage constitute "total breakage" and be allocated pursuant to Subsections (i) (providing that ten percent of the total breakage from a live pari-mutuel pool or a simulcast pari-mutuel pool is to be paid to TRC for use by the appropriate state horse breed registry, subject to rules promulgated by TRC) and (j) (providing that ten percent of the total breakage from a live pari-mutuel pool or a simulcast pari-mutuel pool is to be retained by the association to be used in stakes races restricted to accredited Texas-bred horses) of this section.
