AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The purpose of S.B. 235 is to create a municipal management district (MMD) that will promote, develop, encourage, and maintain employment, commerce, transportation, housing, tourism, recreation, arts, economic development, safety, and public welfare within a defined area in the City of Rowlett, Texas. MMDs facilitate economic development and reduce the city's financial risk. MMDs have the ability to levy taxes, assessments, or impact fees; enter into agreements to implement project plans; contract with overlapping tax increment reinvestment zones; and monetize cash flow by issuing debt.

Only district property owners pay taxes, assessments, and fees to fund capital improvements and maintenance within the district. S.B. 235 creates a district that can provide a wide range of services and improvements related to economic development; unemployment reduction; business recruitment; promotion of health and sanitation; public safety, traffic control, and recreation; landscaping, lighting, and signs; streets, walkways, and drainage; solid waste, water, sewer, and power facilities; parks, historic areas, and works of art; and parking facilities and transit systems.

S.B. 235 provides for an initial board of directors, sets the initial geographic boundaries of the MMD, and defines its powers.

As proposed, S.B. 235 amends current law relating to the creation of the Rowlett Waterfront Entertainment Management District and provides authority to impose a tax, levy an assessment, and issue bonds.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
