### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Certificates of insurance are issued by insurers to interested third parties and serve as proof that those who are insured have obtained insurance coverage. Certificates include information about the effective date of the policy, what is covered under the policy, and the policy's coverage limits. In current practice, insurance agents complete certificates of insurance even though agents are not usually coverage experts. Completing a certificate of insurance often requires the agent to interpret policy terms and coverage with which the agent may be unfamiliar. This may result in incorrect interpretations of policy terms, which can later result in disputes over those terms and coverages.

Under current law, the Texas Department of Insurance (TDI) does not approve or disapprove certificate of insurance forms.

C.S.S.B. 425 would require TDI to approve certificates of insurance forms and would permit the use of approved forms only. TDI would ensure that the approved form would accurately reflect policy terms and coverage. The legislation would require the commissioner of insurance (commissioner) to disapprove any form that is unfair, misleading, or deceptive; violates any statute or regulation passed by the commissioner; or requires certification of insurance coverages that are not available. C.S.S.B. 425 would set a deadline of 60 days for TDI to review and authorize forms, after which a form would be deemed approved. The provisions of C.S.S.B. 425 would not cover the Texas Liability Insurance Card (for proof of auto insurance), a statement summary, or evidence of property insurance for a mortgage holder, or an insurance card for medical or dental insurance.

C.S.S.B. 425 amends current law relating to property and casualty certificates of insurance and approval of property and casualty certificate of insurance forms by TDI and provides penalties.

### **RULEMAKING AUTHORITY**

#### SUBCHAPTER C. CERTIFICATE OF INSURANCE FORMS

Sec. 1811.101. FILING AND APPROVAL OF FORMS. (a) Prohibits an insurer or agent, except as provided by Subsection (b), from delivering or issuing for delivery in this state a certificate of insurance unless the certificate's form has been filed with and approved by the commissioner and contains the phrase "for information purposes only" or similar language.

(b) Authorizes the commissioner, if a certificate of insurance form does not contain the language required by Subsection (a)(2) (relating to the phrase "for information purposes only"), to approve the form if the form states that the certificate of insurance does not confer any rights or obligations other than the rights and obligations conveyed by the policy referenced on the form, and that the terms of the policy control over the terms of the certificate of insurance.

(c) Provides that a filed form is approved at the expiration of 60 days after the date the form is filed unless the commissioner by order approves or disapproves the form during the 60-day period beginning the date the form is filed. Provides that the commissioner's approval of a filed form constitutes a waiver of any unexpired portion of the 60-day period.

(d) Authorizes the commissioner to extend by not more than 10 days the 60-day period described by Subsection (c) during which the commissioner is authorized to approve or disapprove a form filed by an insurer or agent. Requires the commissioner to notify the insurer or agent of the extension before the expiration of the 60-day period.

Sec. 1811.102. DISAPPROVAL OF FORMS; WITHDRAWAL OF APPROVAL. (a) Requires the commissioner to disapprove a form filed under Section 1811.101 or withdraw approval of a form if the form:

(1) contains a provision or has a title or heading that is misleading, is deceptive, or violates public policy;

(2) violates any state law, including a rule adopted under this code;

(3) requires an agent to provide certification of insurance coverage that is not available in the line or type of insurance coverage referenced on the form; or

(4) directly or indirectly requires the commissioner to make a coverage determination under a policy of insurance or insurance transaction.

(b) Prohibits the commissioner from disapproving a form filed under Section 1811.101 or withdrawing approval of a form based solely on the fact that the form contains language described by Section 1811.101(b).

(c) Requires that an order issued by the commissioner disapproving a form, or a notice of the commissioner's intention to withdraw approval of a form, state the grounds for the disapproval or withdrawal of approval in sufficient detail to reasonably inform the person filing the form of those grounds and the changes to the form necessary to obtain approval.

(d) Provides that an order disapproving a form or withdrawing approval of a form takes effect on the date prescribed by the commissioner in the order. Prohibits the commissioner from prescribing a date earlier than the 30th day after the effective date of the order, as prescribed by the commissioner.

Sec. 1811.103. STANDARD CERTIFICATE OF INSURANCE FORMS. Provides that a standard certificate of insurance form promulgated by the Association for Cooperative Operations Research and Development, the American Association of Insurance Services, or the Insurance Services Office (ISO) is deemed approved on the date the form is filed with TDI. Provides that this section applies regardless of whether the face of the certificate includes the phrase "for information purposes only" or similar language.

Sec. 1811.152. CERTIFICATE OF INSURANCE NOT POLICY OF INSURANCE. Provides that a certificate of insurance is not a policy of insurance and does not amend, extend, or alter the coverage afforded by the referenced insurance policy.

Sec. 1811.153. RIGHTS CONFERRED BY CERTIFICATE OF INSURANCE. Provides that a certificate of insurance does not confer to a certificate holder new or additional rights beyond what the referenced policy or any executed endorsement of insurance provides.
