### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Judgment creditors may seek enforcement of a foreign judgment (one from any court of the United States or any other court entitled to full faith and credit in Texas) under the Texas Civil Practice and Remedies Code.

Currently, at the time a foreign judgment is filed, the judgment creditor or the judgment creditor's attorney must file an affidavit with the clerk of the court showing the last known postal address of the judgment debtor and the judgment creditor.

Once the creditor files this affidavit, the clerk must promptly mail notice of the filing of a foreign judgment to the judgment debtor. This is noted in the court's docket sheet.

S.B. 428 eases the administrative workload of court clerks by requiring the creditor, rather than the clerk of the court, to mail notice to the judgment debtor. The creditor would then file "proof of notice" with the clerk, to be placed with the docket sheet. This effectively puts the responsibility of mailing of judgment on the party seeking to enforce the foreign judgment.

As proposed, S.B. 428 amends current law relating to notice to a judgment debtor of the filing of a foreign judgment.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
