AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Section 151.105 (Offense), Natural Resources Code, was created in 1997 to combat theft of timber when there is an existing contract for harvesting in place.

The current statute has been useful; however, some confusion exists because the penalties for theft in the Natural Resources Code do not reflect those in the Penal Code. Under current language, a trustee can only be charged with a state jail felony. It does not matter if the value of timber was \$500 or \$500,000.

As proposed, S.B. 583 amends current law relating to the criminal penalty for failure of a trustee to pay the beneficiaries of the trust the purchase price for timber sold by the trustee.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
