AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

River authorities are created by the state to develop and manage state water, and each such authority is granted certain powers regarding the conservation, storage, use, and distribution of the water of its respective area for the benefit of area residents. Certain citizens and water right holders recently have expressed concerns about the lack of oversight and review of these important entities.

H.B. 2362 amends current law relating to the efficiency review of river authorities.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Subchapter G, Chapter 49, Water Code, by adding Section 49.1991, as follows:

Sec. 49.1991. EFFICIENCY REVIEW OF RIVER AUTHORITIES. Provides that a district that is a river authority is subject to an efficiency review by the Legislative Budget Board (LBB).

SECTION 2. Amends Chapter 322, Government Code, by adding Section 322.0171, as follows:

Sec. 322.0171. EFFICIENCY REVIEW OF RIVER AUTHORITIES. (a) Authorizes LBB to periodically review and analyze the effectiveness and efficiency of the policies, management, fiscal affairs, and operations of a river authority.

(b) Requires LBB to report the findings of a review and analysis to the governor and the legislature.
