AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The purpose of the Fund for Veterans' Assistance (fund) is to provide grants to local government and nonprofit organizations to enhance or improve veterans' assistance programs that address the needs of veterans and their families.

S.B. 1940, 81st Legislature, Regular Session, 2009, approved voluntary contributions to the fund from donations made by an individual on his or her vehicle registration form.

S.B. 1635, 82nd Legislature, Regular Session, 2011, mandated that the notice regarding the opportunity to contribute to the fund be provided on the same page as the individual's total registration fee, and that a person who registers the person's vehicle online has the ability to contribute using the Texas Department of Motor Vehicles (TxDMV) website.

Voluntary contributions through TxDMV have generated an estimated \$40,000 a month and approximately \$400,000 per fiscal year for the fund. These funds have been used to help Texas veterans and their families.

Since 2009, the Texas Veterans Commission (TVC) has awarded approximately \$23.8 million in 112 fund grants to 82 organizations, and approximately \$3.2 million to eight organizations for H4TxH (Housing for Texas Heroes) programs, which have served approximately 140,000 veterans, family members, and surviving spouses. However, need for this funding far exceeds the funding available to award. During the July 2012 grant solicitation period, 117 organizations submitted applications, requesting over \$30 million in funding. In November 2012, TVC was only able to award 25 grant proposals for a total of \$3.1 million, approximately one-tenth of the total request.

H.B. 633 provides an opportunity to voluntarily contribute to the fund through the Department of Public Safety of the State of Texas (DPS). The bill requires that DPS include space to voluntarily contribute to the fund on the front page of an application for an original or renewal driver's license or personal identification certificate. It also mandates that DPS provide an opportunity for the person to contribute to the fund on an online application on the DPS Internet website.

H.B. 633 amends current law relating to a voluntary contribution to the fund for veterans' assistance when applying for a driver's license or personal identification certificate.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
