Committee Report (Substituted)

### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Historically, dedications of revenue for particular purposes have limited the legislature's flexibility in appropriating funds based on budgetary need and in using fund balances for other governmental purposes. Over 20 years ago, the legislature enacted provisions relating to the consolidation of funds in existence before the end of the fiscal biennium. These provisions provided for the abolition of dedications in existence prior to the end of the next fiscal biennium, unless otherwise expressly exempted.

C.S.H.B. 6 amends current law relating to the creation and re-creation of funds and accounts in the state treasury, the dedication and rededication of revenue, and the exemption of unappropriated money from use for general governmental purposes.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
