AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

S.B. 1480 is a local bill pertaining to Williamson-Travis Counties Water Control and Improvement District 1G (District 1G). The bill will authorize District 1G to disannex from Travis County Emergency Services District 14 upon a limited purpose annexation by the City of Cedar Park, wherein the city provides fire protection services to District 1G pursuant to a strategic partnership agreement.

Currently, territory may be removed from an emergency services district upon a full purpose annexation wherein fire services are provided by the annexing municipality. In this case, financial constraints do not allow for a full purpose annexation of District 1G. However, District 1G and the city both wish to pursue a limited purpose annexation wherein the city will provide municipal services including fire protection. Ultimately, the limited purpose annexation will convert into a full purpose annexation, and S.B. 1480 provides the mechanism to begin that process.

As proposed, S.B. 1480 amends current law relating to the provision of emergency services in the Williamson-Travis Counties Water Control and Improvement District No. 1-G.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
