### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

C.S.S.B. 1877 provides for the creation of Venable Ranch Municipal Utility District No. 1, a municipal utility district encompassing approximately 2,400 acres.

Venable Ranch would be a master planned community developed partially within the corporate limits of the City of Aubrey and the remainder in the extraterritorial jurisdiction of Aubrey.

The proposed legislation follows the municipal utility district template with some exceptions that are necessary to address the unique aspects of the development and agreements between the city and landowners. C.S.S.B. 1877 allows for the district to be divided into smaller districts prior to development and allows for a district to be annexed into the city without being dissolved. The legislation also makes clear that the district can provide firefighting services and the retail providers of water and sewer service may terminate service in the event a customer fails to pay fees for police, fire, and emergency medical services.

C.S.S.B. 1877 amends current law relating to the creation of the Venable Ranch Municipal Utility District No. 1 of Denton County, grants a limited power of eminent domain, provides authority to issue bonds, and provides authority to impose assessments, fees, or taxes.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
