Committee Report (Substituted)

### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The purpose of this legislation is to make eligibility modifications to the Texas B-On-time loan program in order to ensure its long-term viability.

The Be-On-time program provides zero-interest student loans, which may be forgiven, for students who maintain a certain grade point average and graduate from college within four years. Community college students rarely use the program because they often do not meet the full-time student requirements.

C.S.S.B. 27 removes community college students from the Be-On-time program, as they are better served through the Texas Educational Opportunity Grant Program.

C.S.S.B. 27 amends current law relating to the Texas B-On-time student loan program.

### **RULEMAKING AUTHORITY**

Rulemaking authority is expressly granted to the Texas Higher Education Coordinating Board in SECTION 8 of this bill.

SECTION 5. Amends Sections 56.459(a), (b), and (f), Education Code, as follows:

Sec. 56.459. LOAN AMOUNT. Deletes existing text providing that the amount of a Texas B-On-time loan for a semester or term for a student enrolled full-time at an eligible institution other than an institution covered by Subsection (b), (c), or (d), is an amount determined by THECB as the average statewide amount of tuition and required fees that a resident student enrolled full-time in an undergraduate degree program would be charged for that semester or term at general academic teaching institutions.

(b) Prohibits the amount of a Texas B-On-time loan for a student enrolled full-time at a private or independent institution of higher education from exceeding the amount determined by THECB to be the average statewide amount of tuition and required fees that a resident student enrolled full-time in a baccalaureate degree program would be charged for that semester or term at general academic teaching institutions. (f) Requires THECB, if in any academic year the amount of money in the Texas B-On-time student loan account, other than money appropriated to the account exclusively for loans at eligible institutions that are private or independent institutions of higher education, is insufficient to provide the loans in the maximum amount specified by this section to all eligible persons at eligible institutions that are institutions of higher education, to determine the amount of that available money and to allocate that amount to those eligible institutions in

proportion to the amount of tuition set aside by each of those institutions under Section 56.465 (Tuition Set Aside for Program) for the preceding academic year. Deletes existing text requiring THECB, if in any academic year the amount of money in the Texas B-On-time student loan account is insufficient to provide the loans to all eligible persons in amounts specified by this section, to determine the amount of available money and to allocate that amount to eligible institutions in proportion to the number of full-time equivalent undergraduate students enrolled at each institution.
