Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Crafted precious metal dealers purchase and sell metal objects such as jewelry and silverware, often through the mail or a storefront. Those who purchase only coins, bars, commemorative medals, or certain scrap items are excluded from the statutory definition of a dealer. Similarly, those who operate under a pawnshop license are excluded from the crafted precious metal dealer regulations.

H.B. 2490, 82nd Legislature, Regular Session, 2011, amended Chapter 1956 (Metal Recycling Entities), Occupations Code, to provide that crafted precious metals dealers must register with the Office of the Consumer Credit Commissioner, comply with detailed reporting and regular hold-period requirements, and prominently display their registration to the public. Additionally, the statute requires crafted precious metal dealers to comply with any hold orders they receive from law enforcement personnel, who may place an item on hold for up to 60 days if they believe it is stolen.

C.S.S.B. 288 clarifies the definition of "crafted precious metal" in Chapter 1956 because the definition as passed in H.B. 2490 created confusion regarding the applicability of a specific exclusion. C.S.S.B. 288 also clarifies the hold-period, record retention, reporting requirement, and investigatory provisions of Chapter 1956.

C.S.S.B. 288 amends current law relating to the regulation of crafted precious metal dealers.
