AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Under current law, individuals who honorably retired as commissioned peace officers with a state agency or county may purchase their service weapon, provided that it is not a prohibited weapon under Section 46.05 (Prohibited Weapons), Penal Code. In addition, current law allows family members to purchase such a weapon if a commissioned peace officer with a state agency dies while commissioned. Unfortunately, these provisions exclude whole classes of peace officers, and therefore some families who want to honor their family member by purchasing his or her service weapon are unable to do so.

H.B. 2135 addresses this problem by extending the provisions in current law that currently apply to state agency peace officers to peace officers who were commissioned by a state agency, county, or municipality.

H.B. 2135 amends current law relating to the purchasing of a firearm of an honorably retired or deceased peace officer.
