C.S.H.B. 2398
By: White, James (Whitmire)

Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

There is a widely held belief that a student should not be prevented from attending school because of a financial constraint that prevents the student from making essential purchases, such as a pair of shoes or a backpack. H.B. 2398 seeks find a way to provide assistance to schoolchildren in need and other issues relating to truancy.

This bill amends the Government Code to permit the governing body of a municipality or the county commissioners court of a county to establish a judicial trust fund to assist children and families who appear in court for truancy violations. Interest and income for the assets of the trust fund would be credited and deposited into the trust fund. Under the bill, the governing body of a municipality or the commissioners court would establish procedures to receive and disperse funds and establish the eligibility requirements to disperse money. This bill would permit a judge to award money from the judicial trust fund to eligible children or families who appear before the court for a truancy or curfew violation or in another misdemeanor proceeding. This bill would permit a county, justice, or municipal court to dismiss a charge against a defendant alleging the defendant committed certain offenses relating to truancy if the court finds the dismissal would be in the interest of justice.

This bill would require a court to order the expunction from an individual's record, including any documents in the possession of a school district or law enforcement agency. The bill would require the court to inform the individual of the expunction. (Original Author's / Sponsor's Statement of Intent)

C.S.H.B. 2398 amends current law relating to court jurisdiction and procedures relating to truancy, establishes judicial donation trust funds, provides criminal penalties, and imposes a court cost.
