### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Breaking the cycle of poverty can be difficult for a variety of reasons. Interested parties have noted the willingness of nonprofit faith-based and community-based organizations to work alongside state agencies to provide assistance to those in need, whether that be through job training or some other form of assistance. H.B. 2718 aims to further facilitate these connections between state entities and private organizations.

H.B. 2718 amends current law relating to a program to allow faith- and community-based organizations to offer supplemental assistance to certain recipients of public assistance.

### **RULEMAKING AUTHORITY**

Rulemaking authority is expressly granted to the executive commissioner of the Health and Human Services Commission in SECTION 1 (Section 531.02482, Government Code) of this bill.
