Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

S.B. 1004 allows the Houston Independent School District (HISD) and other school districts in Harris County and surrounding counties to contract with any of the 10 community college districts in the region to provide dual credit programs, to the benefit of students who would have expanded choices of programs and more opportunities to earn college credit and career training.

Presently, HISD can work with another community college system if the chancellor at Houston Community College (HCC) signs off on our state waiver of service, commonly considered the "right of first refusal." However, this is still a limitation, because HCC has the authority to decline the waiver.

A statutory change would warrant better courses and stronger programming for students. There are quite a few courses offered by other community colleges that are not offered at HCC.

C.S.S.B. 1004 amends current law relating to courses and programs offered jointly by certain public junior colleges and independent school districts.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
