### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Under current law, Windham School District (WSD) can award a GED, but not a high school diploma. S.B. 1024 authorizes WSD to award high school diplomas, building on their statutory goals of reducing recidivism and increasing the success of former inmates in obtaining and maintaining employment.

S.B. 1024 amends current law relating to eligibility for course credit and high school diplomas of students enrolled in educational programs provided by the Windham School District in the Texas Department of Criminal Justice.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
