### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently, children subject to child support orders only receive dental support if ordered by the court or specified by the parties involved. The purpose of S.B. 550 is to provide dental support for children who are subject to a child support order if it can be obtained at a reasonable cost.

S.B. 550 defines "reasonable cost" as the cost of dental insurance premiums that do not exceed 1.5 percent of the obligor's annual resources. That ceiling remains the same, if an obligor is responsible for more than one child under a support order.

Dental insurance will be considered a child support obligation and enforceable by the same means available to the enforcement of child support, including withholding of wages.

The bill takes effect on September 1, 2018, to give the Office of the Attorney General adequate time to modify their systems and processes.

S.B. 550 amends current law relating to requiring dental support for a child subject to a child support order.
