### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

H.B. 1234 clarifies language from legislation passed last session specific to Hidalgo and Cameron counties. S.B. 1964 (84R, Hinojosa) allowed both counties to collect a civil courts filing fee similar to the one currently collected in Bexar, Hays, Dallas, Rockwall, and Travis counties and other courts to assist with the costs of renovating, improving, or constructing new courthouse facilities.

H.B. 1234 simply clarifies that the civil court filing fee may be used to pay for debt service for the financing of new courthouse facilities.

H.B. 1234 also allows Willacy County to collect a civil courts filing fee just as Hidalgo and Cameron Counties currently do. The funds generated by the new fee would be dedicated to the construction, renovation, or improvement of court facilities to meet the growing needs of the public for proceedings in civil and criminal matters.

H.B. 1234 provides for the collection of a court filing fee in certain civil cases filed in a district court, statutory probate court, or county court at law in Willacy County for construction, renovation, and improvement of court facilities. It also allows the county to increase the fee for official real property recordings.

H.B. 1234 makes the fees contingent on a commissioners court resolution and subject to rescission by the commissioners court. The fee would expire in 2045, unless rescinded by the commissioners court before then. (Original Author's / Sponsor's Statement of Intent)

C.S.H.B. 1234 amends current law relating to filing fees imposed in civil cases in Hidalgo County and Cameron County.
