SECTION BY SECTION ANALYSIS

SECTION 1. Amends the Texas Local Fire Fighters Retirement Act (Article 6243e, Vernon's Texas Civil Statutes (V.T.C.S.)), by adding Section 31A, as follows:

Sec. 31A. AUTHORITY OF CERTAIN RETIREMENT SYSTEMS TO EXCLUDE CERTAIN PERSONS FROM COVERAGE. (a) Defines "closure effective date."

(b) Provides that this section applies only to a municipality:

- (1) with a population of less than 200,000;
- (2) that is located in a county with a population of not less than 2 million and not more than 4 million;
- (3) that has a regularly organized fire department for which a fire fighters' retirement system (retirement system) and fund have been established under Section 4 (Retirement System and Trust Fund) of this Act; and
- (4) that before January 1, 2017, has one or more departments participating the Texas Municipal Retirement System (TMRS).

(c) Authorizes the governing body of a municipality subject to this section, subject to the requirements of this section, to adopt one or more ordinances to exclude from participation in the retirement system employees of the fire department first hired on or after the closure effective date.

(d) Requires the governing body of a municipality, if the governing body adopts an ordinance under Subsection (c) of this section, to concurrently adopt an ordinance to allow the employees described by the ordinance to participate in TMRS.

(e) Requires the municipality, not later than the 60th day after the date an ordinance is adopted under Subsection (c) of this section, to submit the ordinance to an election of the participating members of the retirement system established in the municipality. Requires that a majority of the participating members vote in favor of the ordinance to be approved at the election.

(f) Provides that if the voting members approve an ordinance under Subsection (e) of this section, as soon as practicable after the date of the election:

(1) the board of trustees of the retirement system (board) is required to amend the retirement system plan documents as necessary to be consistent with the approved ordinance; and

(2) the municipality is required to give written notice of the results of the election to TMRS and include copies of the relevant ordinances and any amended retirement system plan documents.

(g) Requires that all subsequent actions authorized or required by this section, if a municipality adopts ordinances under Subsections (c) and (d) of this section, be completed before October 1, 2018. Provides that if all subsequent actions are not completed before October 1, 2018:

(1) as soon as practicable after that date, TMRS is required to publish notice to that effect in the Texas Register; and

(2) Section 851.0011, Government Code, this section, and the ordinances adopted under Subsections (c) and (d) of this section expire on October 1, 2018.
