Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Interested parties contend that some reporting requirements of a personal bond pretrial release office regarding a defendant's criminal history or applicable post-trial events create an undue burden on these offices considering that relevant information is often inaccessible. H.B. 3165 addresses this issue by removing and revising certain reporting requirements of a personal bond pretrial release office with respect to information related to certain released defendants. (Original Author's / Sponsor's Statement of Intent)

C.S.H.B. 3165 amends current law relating to certain pretrial procedures in criminal cases.
