AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Texas Department of Criminal Justice (TDCJ) currently possesses a tract of land adjacent to an unnamed tributary of Oyster Creek in Brazoria County. In order to ensure that a recently-constructed water reservoir meets flood mitigation requirements, the bank of the body of water requires fortification.

H.B. 3402 instructs TDCJ to sell the tract of land if it receives a bid at fair market value by June 30, 2018. The General Land Office would negotiate the bid and close the transaction with the company that constructed the reservoir. The State of Texas would retain mineral rights for all minerals in and under the tract of land. (Original Author's / Sponsor's Statement of Intent)

H.B. 3402 amends current law relating to the sale of certain state property in Brazoria County by the Texas Board of Criminal Justice.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
