AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Interested parties contend that clarity in state law is needed to ensure that the county court in a county that does not have certain courts has jurisdiction of any appeal from a judgment or conviction in a municipal court of record located in that county so that parties always have a forum in which to appeal such judgments and convictions. H.B. 4147 provides this clarification.

H.B. 4147 amends the Government Code to clarify that a county court has jurisdiction of any appeal from a judgment or conviction in a municipal court of record located in that county if the county does not have a county criminal court, county criminal court of appeal, municipal court of appeal, or county court at law.

H.B. 4147 amends current law relating to a defendant's right to appeal from a judgment or conviction in a municipal court of record.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
