### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

H.B. 4303 amends the Special District Local Laws Code to create the Prairie Ridge Municipal Management District No. 1 (district), subject to voter approval at a confirmation election, to provide certain improvements, projects, and services for public use and benefit. The bill provides for, among other provisions, public improvement district powers, contract powers, and district eligibility for inclusion in special zones under the Tax Code. The bill also provides for the annexation or exclusion of district land, division of the district, and dissolution of the district. The district's powers and duties include, subject to certain requirements, the authorization to impose assessments and the power to issue obligations secured by ad valorem taxes, assessments, or any other district source of revenue. Voter approval at an election is required for the district to impose an ad valorem tax or operation and maintenance tax. The bill provides for a limited power of eminent domain; however, if the bill does not receive a two-thirds vote in each house, the district will have no power of eminent domain.

H.B. 4303 prohibits the district from providing retail water or sewer services. The district may only use bond proceeds to maintain or repair existing improvements upon city approval. (Original Author's / Sponsor's Statement of Intent)

H.B. 4303 amends current law relating to the creation of the Prairie Ridge Municipal Management District No. 1 and to the correction of defined terms in the law governing the Joshua Farms Municipal Management District No 1 and the laws governing the Joshua Farms Municipal Management District No. 2, provides authority to issue bonds, provides authority to impose assessments, fees, or taxes, and grants a limited power of eminent domain.
