AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Woodlands Township (formerly known as Town Center Improvement District of Montgomery County) (the Township) was created by Chapter 289, Acts of the 73rd Legislature, Regular Session, 1993. The creation legislation has been modified through several subsequent legislative Acts (Chapter 255, Acts of the 75th Legislature, Regular Session, 1997; Chapter 1562, Acts of the 76th Legislature, Regular Session, 1999; Chapter 373, Acts of the 79th Legislature, Regular Session, 2005; Chapter 1287, Acts of the 80th Legislature, Regular Session, 2007; Chapter 1397, Acts of the 81st Legislature, Regular Session, 2009; and Chapter 446, Acts of the 84th Legislature, Regular Session, 2015).

This Act will provide a number of clarifications to the district's creation legislation. In addition, this Act modifies the procedure for the filling of vacancies on the Township's board of directors and provides procedures for the calling and holding of an incorporation election over the territory of the Township, as well as procedures for a transfer of the assets, liabilities, powers, obligations and functions of the Township to the new city, as well as dissolution of the Township, in the event of a successful incorporation election. This Act also codifies a reference to the Township's enabling Act in Chapter 11011 of the Special District Local Laws Code, and specifies certain provisions of the enabling Act that remain applicable to the new city in the event of incorporation and dissolution of the Township.
