### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Chapter 88, Acts of the 80th Legislature, Regular Session, 2007 (the RPA Act), added Section 43.0754, Local Government Code, to authorize certain political subdivisions located within the extraterritorial jurisdiction of one or more municipalities to enter into a regional participation agreement with the municipality (or municipalities) for the purpose of regional funding of joint use and/or joint benefit programs or projects. The RPA Act further provided that a regional participation agreement may include terms relative to release of territory from the extraterritorial jurisdiction of the municipality and the consent of the municipality to the incorporation of, or adoption of an alternate form of government by, all or part of the territory of the political subdivision. This Act will add Section 43.0755, Local Government Code, to provide specific procedures for the incorporation or establishment of an alternate form of local government for areas subject to a regional participation agreement.

As proposed, S.B. 1015 amends current law relating to procedures for incorporation or establishment of another form of local government for certain areas subject to a regional participation agreement.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
