Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

S.B. 321 creates both the River Ranch Municipal Utility District and the Riverside Municipal Utility District. These districts will be a political subdivision of the state of Texas and will be located within the extraterritorial jurisdiction of the City of Dayton in Liberty County. They will be a municipal utility district operating pursuant to Chapters 49 and 54, Water Code. The land will be developed for both commercial and residential purposes.

A special district is needed to finance and construct the utility infrastructure (water, sewer, drainage, roads, and recreational facilities) necessary to promote the development of the area within the district. Currently, this area is undeveloped and no special district serves this area. (Original Author's / Sponsor's Statement of Intent)

C.S.S.B. 321 amends current law relating to the creation of the River Ranch Municipal Utility District of Liberty County and the Riverside Municipal Utility District of Liberty County, grants a limited power of eminent domain, provides authority to issue bonds, and provides authority to impose assessments, fees, or taxes.
