AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Many counties across the state levy and collect hotel occupancy taxes. Currently, Wilson County is not authorized to do so. Accordingly, H.B. 1633 would authorize the commissioners court of a county with a population of not more than 50,000 and in which an annual peanut festival is held to levy and collect a county hotel occupancy tax. The bill would cap the rate of the tax at seven percent of the price paid for a room. What's more, it would cap the rate at two percent of that price if the hotel is located in a municipality that imposes a municipal hotel occupancy tax applicable to the hotel or in the extraterritorial jurisdiction of a municipality with a population of less than 35,000 that imposes such a tax in the municipality's extraterritorial jurisdiction.

H.B. 1633 amends current law relating to the imposition and rate of the county hotel occupancy tax in certain counties, and authorizes the imposition of a tax.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
