AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Like almost all public institutions of higher education, Texas Southern University charges students an intercollegiate athletics fee. However, Texas Southern University is one of two public universities whose ability to charge students this fee requires legislative reauthorization every five years.

S.B. 1198 brings Texas Southern University on par with Texas' other public institutions of higher education and authorizes the continuation of the fee.

Support comes from Texas Southern University and its student government who voted in support of S.B. 1198. There is no known opposition at this time.

As proposed, S.B. 1198 amends current law relating to the intercollegiate athletics fee at Texas Southern University; and authorizes the continued imposition of a fee.
