### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently, holders of a wine and beer retailer's permit can deliver malt beverages with five percent alcohol by volume to a customer's home. S.B. 1232 amends the Alcoholic Beverage Code to grant eligibility for the holder of a wine and beer retailer's permit to apply for a local cartage permit. With the local cartage permit, the holder of a wine and beer retailer's permit may deliver wine and malt beverages above five percent alcohol by volume to customers' homes, in addition to beer delivery that is already allowed. (Original Author's/Sponsor's Statement Of Intent)

S.B. 1232 amends current law relating to the delivery of alcoholic beverages by the holder of a wine and beer retailer's permit.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
