Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, certain municipalities in Texas are authorized to receive a rebate of certain state taxes to pay for bonds or other obligations incurred by the city for construction of a convention center hotel and related facilities. Additionally, certain municipalities are also authorized to use their existing occupancy tax revenue to invest in new facilities and related infrastructure under certain circumstances.

S.B. 1307 seeks to provide the City of Webster with this additional economic development tool using certain state taxes and expand the city's ability to utilize its existing hotel occupancy tax revenue for the construction, improvement, enlarging, equipping, renovating, repairing, operation, and maintenance of a venue, including a hotel, resort, or convention center facility in order to strengthen tourism and better position the city to act quickly to provide needed conference space. (Original Author's/Sponsor's Statement of Intent).

C.S.S.B. 1307 amends current law relating to the use of hotel occupancy tax revenue by certain municipalities.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
