AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

As the Texas Workforce Commission (TWC) has grown as an agency, so too have its reporting requirements. Under current law, TWC is required to produce seven reports for the governor and the legislature annually. Each of these reports has varying due dates, thus creating a burdensome process for TWC to compile information and submit reports at various points throughout the year.

S.B. 1413 would consolidate these reporting requirements into a single annual report, streamlining the reporting process. In effect, this would improve overall organizational efficiency, enhance transparency, and ensure that all of the information required to be reported is consolidated into a single location.

As proposed, S.B. 1413 amends current law relating to consolidation of annual reporting requirements of the Texas Workforce Commission.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
