### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Amendments to the law regarding perpetual care cemeteries are needed to provide authority for the recovery of certain agency costs; to authorize the banking commissioner to require a certificate holder to take corrective action under the terms of a cease and desist order; and to provide for revocation of a certificate of authority in case of a violation, after due process has been followed. S.B. 1821 seeks to amend the Health and Safety Code to implement these changes. (Original Author's/Sponsor's Statement of Intent)

S.B. 1821 amends current law relating to enforcement of the regulation of perpetual care cemeteries.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
