AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

H.B. 4634 creates the Fort Bend County Municipal Utility District No. 250 (district) as a political subdivision of the State of Texas. The district will construct and finance water, sewer, drainage, road, and recreational facilities to serve property within the district, which is located in Fort Bend County. The district will be a municipal utility district operating pursuant to Chapters 49 and 54, Water Code.

A special district is needed to finance and construct the infrastructure (water, sewer, drainage, roads, and recreational facilities) necessary to promote the development of the area within the district.

Special districts are created for specific areas. No special district currently serves the area proposed to be included in the district.

The owner of all of the land in the district supports the creation of the district.

There is no known opposition to this legislation.

H.B. 4634 amends current law relating to the creation of the Fort Bend County Municipal Utility District No. 250, grants a limited power of eminent domain, provides authority to issue bonds, and provides authority to impose assessments, fees, and taxes.
