### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The Health and Human Services Commission has received approval from the Centers for Medicare and Medicaid Services (CMS) to move forward with a state plan amendment (SPA) to provide residents with intellectual and developmental disabilities living in nursing facilities with behavioral support, day habilitation, independent living skills training, employment assistance, and supported employment.

S.B. 1808 seeks to align state law to ensure that there is not a delay in the implementation of the SPA and that federal funds can be used to provide these services approved by CMS in Texas.
