### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Peace officers put themselves in harm's way in their communities on a daily basis. Peace officers with school-aged children should be assured that their child is in a safe environment when attending school. H.B. 1959 seeks to ensure this is the case by providing for a peace officer who is a parent of or a person standing in parental relation to a student to transfer that student to another school district or campus of their choosing.

H.B. 1959 amends current law relating to the transfer of certain public school students who are children of peace officers.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
