Committee Report (Substituted)

### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

According to the Senate Committee on Border Security Interim Report to the 88th Legislature, increased migrant and law enforcement activity, particularly within border and rural counties, has left many landowners with record financial losses and property damage in the form of destroyed crops, fence damage, outhouses, farm equipment and lost livestock.

S.B. 1133 will establish a grant program under the Office of the Attorney General (OAG) to compensate landowners who suffered property damage on agricultural land by a trespasser in the course of smuggling of persons, bailouts, human trafficking, and drug trafficking.
