AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Recently, a freshwater supply district (FSD) was created for land in the unincorporated City of Maxwell. At the time, the property was not wholly owned, so an FSD was the best fit for the smaller space that needed fewer services. Now that the property is wholly owned, it is best to dissolve the FSD and upgrade it to a municipal utility district (MUD) to improve services and oversight by the county. Accordingly, S.B. 887 would create a municipal utility district within the City of Maxwell.

As proposed, S.B. 887 amends current law relating to the creation of the Maxwell Municipal Utility District No. 1, grants a limited power of eminent domain, provides authority to issue bonds, and provides authority to impose assessments, fees, and taxes.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
