Hon. Emma Grigsby Meharg,
Secretary of State,
Austin, Texas.

Dear Mrs. Meharg:-

I hereby hand you for file in your
office Senate Concurrent Resolution No. 10 passed at the
recent called session and you are hereby officially
notified that I have disapproved and vetoed same.

My reason for doing so is that this is the creation
of another board authorized by law to spend Ten Thousand
Dollars of the peoples money in the next three months to
study the question of taxation. The time is too short to
expect anything to be accomplished by said Committee and the
condition of the Treasury will not justify the expenditure
of this money.

The Resolution is therefore for the reason stated
vetoed and disapproved.

Governor of Texas
