Related Categories: Legislation

Recognition months, weeks, and days call attention to health issues, industries, people, and more. Some are codified in [Government Code § 662](#). In addition, senators and representatives pass resolutions in each session to commemorate even more awareness dates. Below is a sampling of recognition months, weeks, and days observed with resolutions and bills by the 86th Legislature; [click here](#) to see a list of all the recognition dates from this past session.
