The following legislative committee minutes in the LRL collection are scanned and available on our [Committee minutes and related documents](#) page:

House: 42nd – 77th

Senate: 27th – 77th

Interim: 38th – 77th

We most recently added interim minutes from the 62nd Legislature (1971-1972). As always, some committees are unique (see the interim committees on [vegetable marketing](#) and [imported fire ant infestation](#)), and others address major issues like [school finance](#) and [coastal resources](#) that the Legislature continues to work on today.

Minutes and other committee records from the 77th Legislature (2001) onward are available via [Texas Legislature Online](#).
