1. Border Land, Border Water: A History of Construction on the US-Mexico Divide
By C.J. Alvarez

Utilizes the history of construction on the United States-Mexico border, from the 1850s to the present, as a framework to examine the border region. Highlights the ecological diversity of the border and the variety of construction projects, illustrated with archival photos and maps. Considers the environmental, cultural, and political impact of construction and encourages better stewardship of the border.

3. Protecting Historic Coastal Cities: Case Studies in Resilience

By Matthew Pelz, editor

Presents an overview of how historic communities in coastal environments are confronting unique challenges, now magnified by the frequency of severe weather events. Brings together experts with diverse backgrounds in historical preservation, public history, environmental science, engineering, and architecture. Explores issues

related to coastal living and studies communities that are taking proactive approaches to challenging environments, such as resilient housing initiatives, public infrastructure changes, and pioneering advances in flood protection.

Texas A&M University Press, 2019, 132 pages

333.917 P369P 2019

4. Researching Texas Law

By Brandon D. Quarles and Matthew C. Cordon

Instructs readers on how to conduct legal research. Covers case law, statutes, regulations, tracking bills, and compiling legislative histories. Provides research instruction for more practitioner-oriented items also, including: civil jury verdicts and settlements; briefs, records, and oral arguments; attorneys general opinions; and Texas practice materials.

7. Scoot Over: The Growth of Micromobility and Electric Scooters in the South

By Roger Moore

Summarizes the growth of shared micromobility vehicles and their ability to augment public transportation. Discusses problems resulting from the introduction of dockless electric scooters, including regulatory ambiguity, challenges for public safety, and issues with infrastructure. Compares legislation from seven southern states related to the regulation of electric scooters and their operation.

Southern Legislative Conference, Council of State Governments, 2019, 11 pages
