

Library Update: COVID-19

Posted At : April 2, 2020 10:44 AM | Posted By : TexasLRL

Related Categories: LRL news, COVID-19

In an effort to assist with controlling the transmission of COVID-19, the LRL is closed to the public. However, we are able to continue to provide many of our usual services. Librarians will continue to offer reference and research assistance via phone (512-463-1252) or [email](#). We will continue to produce Current Articles and the Legislative Clipping Service.
