At the beginning of each session, the Legislative Agency Service Fair provides an opportunity for new members and their staff to learn more about the services each agency offers.

This year, the fair will be held on Thursday, January 24, from 10:30 until noon, in the Legislative Reference Library, Capitol, 2N.3.

Staff from the following legislative agencies will be in attendance: Legislative Budget Board, Legislative Reference Library, State Auditor's Office, Sunset Advisory Commission, and Texas Legislative Council. Also attending will be a representative from the National Conference of State Legislatures. You might come away with more than information—we will have selected publications and other items to give away.

Please drop by the fair to learn more about how legislative agencies can support your work!
