This monthly post highlights new content recently added to the library's website.

The following House and Senate Journals have been added to our [online collection](#):

- [71st Regular and Called Sessions \(1989-90\) – House and Senate Journals](#)
- [73rd Regular Session \(1993\) – House and Senate Journals](#)

Our [interim charges](#) page is updated with all House and Senate interim charges that have been issued for the 83rd Legislature.

The Library's new [Water Resources Research Guide](#) offers a comprehensive bibliography of resources related to water, including water-related agencies, organizations, databases, and research aids, as well as citations to articles and reports published between 2008 and 2014.

Bill Files:

Our [Legislative Archive System](#) now contains historical bill files for the 36th Regular and Called Sessions (1919-20).

Committee Minutes:

Recent additions from the 65th Legislature (1977) include minutes and documentation from the [Joint Interim Committee on Special Education](#). This committee was established pursuant to [SCR 111, 65th R.S.](#), and held hearings all across the state in 1978.
