## House Committee on Public Health

Charge 1: Monitor the agencies and programs under the Committee's jurisdiction and oversee the implementation of relevant legislation passed by the 86th Legislature. Conduct active oversight of all associated rulemaking and other governmental actions taken to ensure intended legislative outcome of all legislation, including the following:

### Related to Women/Maternal/Infant Health

- **HB 253**, which requires the **Health and Human Services Commission** (HHSC) to develop and implement a five-year strategic plan to address postpartum depression. Monitor the development of the strategic plan to ensure it provides strategies to improve access to postpartum depression screening, referral, treatment, and support services.
- *Postpartum Depression Strategic Plan, As Required by House Bill 253, 86th Legislature, Regular Session, 2019*, Texas Health and Human Services Commission, September 2020
- **SB 436**, which requires the **Department of State Health Services** (DSHS), in conjunction with the **Maternal Mortality and Morbidity Task Force**, to develop and implement statewide initiatives to improve maternal and newborn health for women with opioid use disorder. Examine the process by which DSHS and the Task Force develop and implement the initiatives, and, if applicable, monitor the development of the optional pilot program authorized by the legislation.
- **SB 748**, which creates a newborn screening preservation account and requires the

development of a program to provide prenatal and postpartum care through telehealth or telemedicine in certain counties, a high risk maternal care coordination services pilot program, and a pregnancy medical home pilot program. Monitor the rulemaking process at HHSC and conduct oversight of the creation of the newborn screening preservation account and the maternal health programs. Identify any challenges that arise in funding the account or implementing the programs. Ensure the required agencies are providing adequate data collection on maternal mortality rates, maternity care, and postpartum depression in the state.

- ["New Test Added to Robust Newborn Screening Program,"](#) Texas Health and Human Services Commission, October 4, 2019
- [SB 749](#), which relates to designating levels of neonatal and maternal care for hospitals and establishes an appeal process, waiver agreement, and telemedicine exceptions. Monitor HHSC's rulemaking process.
- [SB 750](#), which directs HHSC to evaluate and develop a limited postpartum care package for new mothers enrolled in the [Healthy Texas Women](#) (HTW) program and to develop strategies to ensure continuity of care for new mothers who transition from Medicaid for Pregnant Women into HTW. Monitor HHSC's rulemaking process and the evaluation and development of the postpartum care package in HTW.
- ["HHSC's Healthy Texas Women Program Launches Enhanced Postpartum Care Services,"](#) Texas Health and Human Services Commission, August 31, 2020
- [SB 2132](#), which requires additional information to be provided to new mothers enrolled in HTW. Monitor HHSC's rulemaking process.

### Related to Controlled Substances/Opioids

- [HB 2174](#), which establishes limits on prescribing opioids for acute pain and institutes certain requirements for controlled substance prescription submissions and continuing education for prescribers.
- [HB 3284](#), which revises the circumstances under which the [Texas State Board of Pharmacy](#) (TSBP) may allow access to information relating to controlled substances prescriptions. Monitor the collaboration between TSBP and the State Board of Veterinary Medical Examiners in implementing the legislation.
  - [22 Texas Administrative Code § 315.15](#), Access Requirements, and [22 Texas Administrative Code § 315.16](#), Patient Access to Prescription Monitoring Program Prescription Record, Texas State Board of Pharmacy
  - [Texas Prescription Monitoring Program](#), Texas State Board of Pharmacy
- [HB 3285](#), which creates programs and initiatives to prevent and respond to opioid addiction, misuse, abuse, and overdose and identify and treat co-occurring substance use disorders and mental illness. Monitor the process by which the [Governor's Criminal Justice Division](#) will award grants to law enforcement agencies for opioid antagonists. Conduct oversight of the process related to Medicaid reimbursement for medication-assisted treatment. Examine the impact of the opioid crisis on Texas' seniors, and review any programs and services available to prevent and treat opioid misuse among that population.
  - [Addressing Substance Use in Texas: Public Health Agency Action Plan: 2020 - 2022](#), Texas Department of State Health Services, January 2020

- **HHSC Rider 34**, which requires HHSC to evaluate opioid drug prescribing practices under Medicaid and assess the extent to which they align with the Center for Disease Control and Prevention guidelines.
  - *Evaluation of Opioid Drug Prescribing Practices Under Medicaid, As Required by House Bill 1, 86th Legislature, Regular Session, 2019 (Article II, Health and Human Services Commission, Rider 34)*, Texas Health and Human Services Commission, September 2020
  - **CDC Guideline for Prescribing Opioids for Chronic Pain**, Centers for Disease Control and Prevention, last updated August 28, 2019

### Related to Rural Health

- **HB 3934**, which provides rural hospitals with the authority to establish a health care collaborative.
- **SB 170**, which relates to the reimbursement of rural hospitals under Medicaid. Monitor the reimbursement methodology developed by HHSC.
- **SB 633**, which provides the authority to assemble local mental health authorities (LMHA) in rural areas into groups in order to ensure access to mental health services in those areas. Conduct oversight of the process of grouping individual LMHAs and the development of a plan for each group to increase capacity and access.
- **SB 1621**, which creates a rural hospital strategic plan.

### Related to General Monitoring

- **HB 871**, which authorizes certain rural hospitals to satisfy trauma facility designation requirements through the use of telemedicine. Monitor HHSC's rulemaking process.
- *25 Texas Administrative Code § 157.33*, Certification; *25 Texas Administrative Code § 157.34*, Recertification; and *25 Texas Administrative Code § 157.125*, Requirements for Trauma Facility Designation, Texas Health and Human Services Commission
- **HB 1501**, which creates the **Texas Behavioral Health Executive Council**. Monitor the transfer of the regulation of psychologists, marriage and family therapists, professional counselors, and social workers to the new council.
- **HB 1504**, which continues the **Texas Medical Board** until September 1, 2031. Review and identify any challenges related to the processing of complaints, including due process concerns and the independence of the Board. Make recommendations for additional modifications to address these challenges.
  - **Texas Medical Board** (Sunset Review Documents for 2018-2019 Review Cycle, 86th Legislative Session). Texas Sunset Advisory Commission

- **HB 3148**, which establishes provisions related to the administration and oversight of investigational adult stem cell treatments. Monitor the creation of the investigational stem cell registry.
  - **Proposed Rules, 25 Texas Administrative Code § 1.462, Informed Consent for Investigational Stem Cell Treatment**, Texas Department of State Health Services / Texas Secretary of State, *Texas Register*, September 11, 2020
- **HB 3703**, which expands eligibility for low-THC cannabis prescriptions. Monitor HHSC's rulemaking process.
  - **25 Texas Administrative Code § 1.61**, Incurable Neurodegenerative Diseases, Texas Department of State Health Services
- **HB 4455**, which authorizes a health professional to provide a mental health service via telemedicine or telehealth services to a patient located outside of Texas.
- **SB 21**, which raises the age to purchase tobacco from 18 to 21.
  - **Tobacco Prevention and Control Program**, Texas Department of State Health Services
- **SB 670**, which relates to ensuring reimbursement of telemedicine and telehealth services and expanding which facilities may receive reimbursement for those services.

### Related to Behavioral Health

- **HB 18**, which enhances school safety and mental health resources for students and school personnel and works to reduce the stigma around mental health conditions. Monitor the process by which state agencies coordinate to implement the legislation and their compliance with various requirements, including providing required guidelines and resources to schools.
  - **HB 19**, which places non-physician mental health professionals at education service centers to provide resources for educators and administrators in school districts and charter schools.
  - **HB 906**, which creates the Collaborative Task Force on Public School Mental Health Services.
  - **SB 11**, which creates the Texas Child Mental Health Care Consortium to facilitate access to mental health care services through telehealth and expands the mental health workforce through training and funding opportunities. Monitor the creation of the consortium and agencies' rulemaking processes. Review how school districts are spending their school safety allotment.

- ["Governor Abbott, Lieutenant Governor Patrick, Attorney General Paxton Issue Statement On Withdrawal of Medicaid Fiscal Accountability Regulation"](#) (Press Release), Office of the Texas Governor, September 14, 2020
- [House Committee Resources: Human Services](#) (Blog — Charge 2.2 - 2.5, Charge 2.1), Legislative Reference Library, September 4, 2020
- [Medicaid Expansion's Impact in Texas](#) (Policy Brief), Mbsbacher Institute for Trade, Economics, and Public Policy, Texas A&M University, September 2020
- [Texas Healthcare Transformation and Quality Improvement Program](#), Center

for Medicaid and CHIP Services, Centers for Medicare & Medicaid Services

## House Committee on Public Health

Charge 3: Review behavioral health capacity in the state, with a focus on suicide prevention efforts and the provision of behavioral health care services to individuals with intellectual and developmental disabilities. Review suicide prevention programs and initiatives across state agencies, evaluate their effectiveness, and identify opportunities for greater coordination. Identify gaps in the continuum of care for individuals with disabilities and challenges for those providing care to them. Additionally, identify any existing administrative and licensing barriers that negatively affect overall behavioral health capacity in the state.
